**Tariff Format**

**A. Page Numbering** - Page numbers appear in the left corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 13 and 14 would be 13.1.

**B. Page Revision Numbers** - Page Revision Numbers also appear in the upper left corner of each page. These numbers are used to determine the most current page version on file with the Commission. Consult the check sheet for the page currently in effect.

**C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

2. Definitions

Certain terms used generally throughout this tariff are defined below:

**MISSOURI  
Public Service Commission**

Access Code - A sequence of numbers that, when dialed, connect the caller to the provider of services associated with that sequence.

Aggregator - Any person or entity that, in the ordinary course of its operations, makes telephones available to the public or to transient users of its premises, for intrastate telephone calls using a provider of operator services. An Aggregator is also both an Authorized User and a Customer.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the service user so that the Company may rate and bill the call. All Authorization Codes shall be the sole property of the Company and no Customer shall have any property or other right or interest in the use of any particular Authorization Code. Automatic Numbering Identification ("ANI") may be used as or in connection with the Authorization Code.

Authorized User - A person or entity which accesses the Company's services. An Authorized User is responsible for compliance with this tariff.

Payphone Surcharge – A surcharge that applies to completed intrastate, interstate and international long distance calls placed from any domestic payphone used to access the Company's services. This includes calling card service, toll-free service, and prepaid calling card service. The Payphone Surcharge is in addition to any other applicable service charges or surcharges. The Payphone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for the service by inserting coins during the progress of the call.

(N)

(N)

Personal Identification Numbers (PINS) - Code numbers used in connection with designated telephone numbers which allow calls to be categorized for various applications.

Person-to-Person Calls - An Operator Assisted Call which is placed under the stipulation that the caller will speak only to a specific called party or to a specified extension or office. Such a call is not completed until either the specific party named by the caller is contacted, or the caller agrees to speak to a different party. The caller must arrange with the operator to make a person-to-person call; otherwise, all calls will be treated as Operator Station Calls.

Points of Presence - The sites where the Company provides a network interface with facilities provided by Other Common Carriers, Local Exchange Carriers or Customers for access to the Company's network.

Premises - A building or buildings on contiguous property (except railroad rights-of-way, etc.) not separated by a public street or highway.

## 6.2.1 Contract Terms and Rates – Plan 1

Customers may select a month-to month plan, a 1 year \$50 plan, or a 1 year \$1,000 monthly plan. A Business One Customer selecting a 1 year term must commit to a minimum monthly usage as depicted in section 6.2.1.A. This minimum usage threshold applies to every monthly billing period during the selected term, and must be paid regardless of the Customer's amount of usage during other billing periods. Customers selecting a 1 year term may change plans or terminate the service if Customer provides written notice within ninety (90) days of the initiation of service. The Customer shall be held responsible for the value of the contract beyond this ninety (90) day threshold. The following chart lists the contract term length and associated per minute rates and surcharges. The per minute rates listed below are flat rates effective at all times of day. This plan is only available to customers that currently subscribe to this service at their current location.

The confirmed due date for installation of service may be postponed by the customer according to the following guidelines.

- Customers will be allowed up to three changes from the original confirmed due date. The sum of the change requests cannot exceed 30 calendar days from the original requested due date.
- Any request to postpone the due date 30 calendar days beyond the originally scheduled due date will result in the order being cancelled. Standard cancellation fees will be applied and a new order request will need to be submitted.
- Customers may not request a due date change later than 3 days before the scheduled due date. From this time, the due date is considered firm and ALLTEL will complete the installation of the facilities as scheduled.
- Customers will be charged for each requested change to the due date. The charges will be applied on a graduated scale where the closer to the due date the higher the charge. The charges are to be applied as follows:

<b>Change Requested</b>	<b>Installation Postponement Charge</b>
10 business days before to the due date	\$100.00
